

Property Reports & Closing Services Just a Click Away

American Title, Inc. was established in 1994, out of a small office in downtown Omaha. When it began, there were a mere three employees striving to make American Title a recognizable name in the real estate industry.

That growth has been fueled by committed customers like you. Last year American Title completed over 400,000 orders. It prides itself on its Midwestern values. With its national coverage and strong work ethic, American Title is the perfect partner for OnePointCity and you.

Today the company has nearly 300 employees in its recently built headquarters.

Throughout the past, present and future, American Title pledges to continue its dili-

gent commitment to achieving client satisfaction that is above and beyond expectation with every order.

Sign Up to Enjoy These American Title Advantages

Advantage 1: At American Title Inc. we pride ourselves on going the extra mile to provide a level of commitment to satisfaction that is unmatched.

Advantage 2: Turn around times that lead the industry. No matter what part of the country the home is in, American Title Inc. can deliver the information on time, every time.

Advantage 3: The flexibility to cater to your customer's needs. Every client is unique and American Title offers unique solutions for each. The reporting offers nothing more or nothing less than exactly what you want and need to do the job right.

Advantage 4: Its vast network of

independent agents span the entire country offering the ability to service every home, everywhere. Agents who are trained and qualified to accurately gather information to eliminate delays due to errors. Included is the benefit of offering "Convenience Closings" – the ability to allow the borrower to close anywhere, any time.

Advantage 5: Clean and concise reporting that will allow for ease of use for every stage that the report is handled. If there is a question it is always handled by a live person, not an automated system.
